## RESEARCH REPORTS

### Smart Home Automation for Differently Abled Person using Controller and IoT

k.Ramakrishnan college of Technology

08/2022,

Paper published at International Journal of Engineering Research & Technology (IJERT), Paper ID : IJERTCONV10IS09001

## SKILLS

Core Java

Spring Boot

Spring Framework

Hibernate

RESTful API

MySQL

Angular

HTML & CSS

Bootstrap

JavaScript

Full Stack development

Web development

Selenium Testing

API Testing(Postman)

## CERTIFICATES

Certificate of completion-Cloud fundamentals by TalentNext Mphasis

Certificate of completion-Devops by TalentNext Mphasis

Certificate of completion-java microservice by TalentNext Mphasis

Certificate of completion-Relational database by TalentNext Mphasis

Certificate of completion-RESTful Web service by TalentNext Mphasis

Certificate of completion-SQL by TalentNext Mphasis

## LANGUAGES

English

Full Professional Proficiency

Tamil

Native or Bilingual Proficiency

## INTERESTS

Full Stack Development

## DECLARATION

I assure you that the information given above is true to the best of my knowledge.
